Dear Hoyt:

Enclosed are two copies of the above-identified patent application for review by Eric Anderson to ensure that it is complete and accurate. If you or Mr. Anderson have any changes for the description and/or drawings, please make the necessary revisions on one of the copies and return it to us for retyping. However, if the revisions are not too extensive, please ask Mr. Anderson to initial and date the revisions and return them to us along with the executed filing documents. The other copy is for your file.

If the application requires no revisions, please ask the inventor to sign and date the enclosed Declaration. The Declaration should be signed by Mr. Anderson with his full legal name. The Patent and Trademark Office regulations require that the application be executed in the form in which it is intended to be filed and that the Declaration be attached to and refer to the specification and
